RING BINDERS

COVER SETS

Add pizzazz to any report by using a custom Cover Set.

SPIRALS

Streamline your information with a spiral bound book. Design your covers from most any substrate with endless graphic capabilities.

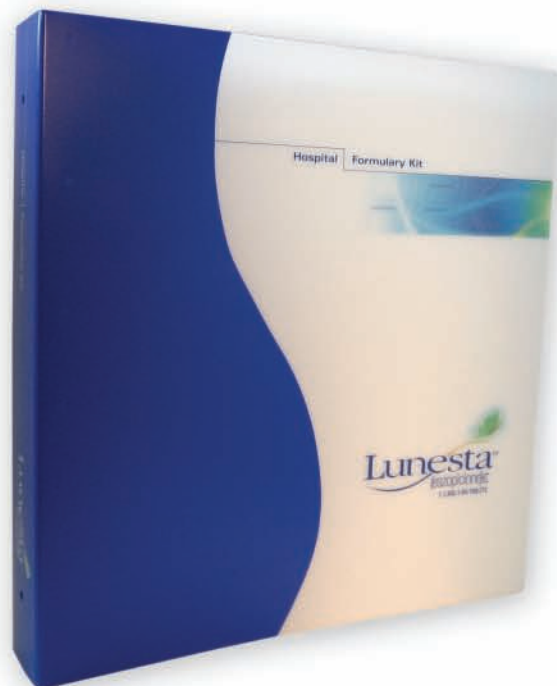

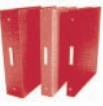

P O L Y

This material is virtually indestructible. Poly is not affected by temperature variations, and resists scuffing. Available in a variety of colors, thickness and textures. For a unique 3 dimensional appearance, you can print on the inside & outside. Get creative by die cutting custom shapes and sizes.

 This unique material can be an environmentally friendly option by choosing partially, or 100% recycled Poly.

LEATHER

Simple and Elegant.. You can't go wrong with a genuine leather binder. Customize your leather binder by blind debossing, or add color with a foil stamp.

METAL

Aluminum is lightweight, yet durable. These high profile pieces command attention.

Surprisingly Versatile Graphic Capabilities

- 4 Color Process
- Emboss/Deboss
- Full Bleeds
- See Thru Windows

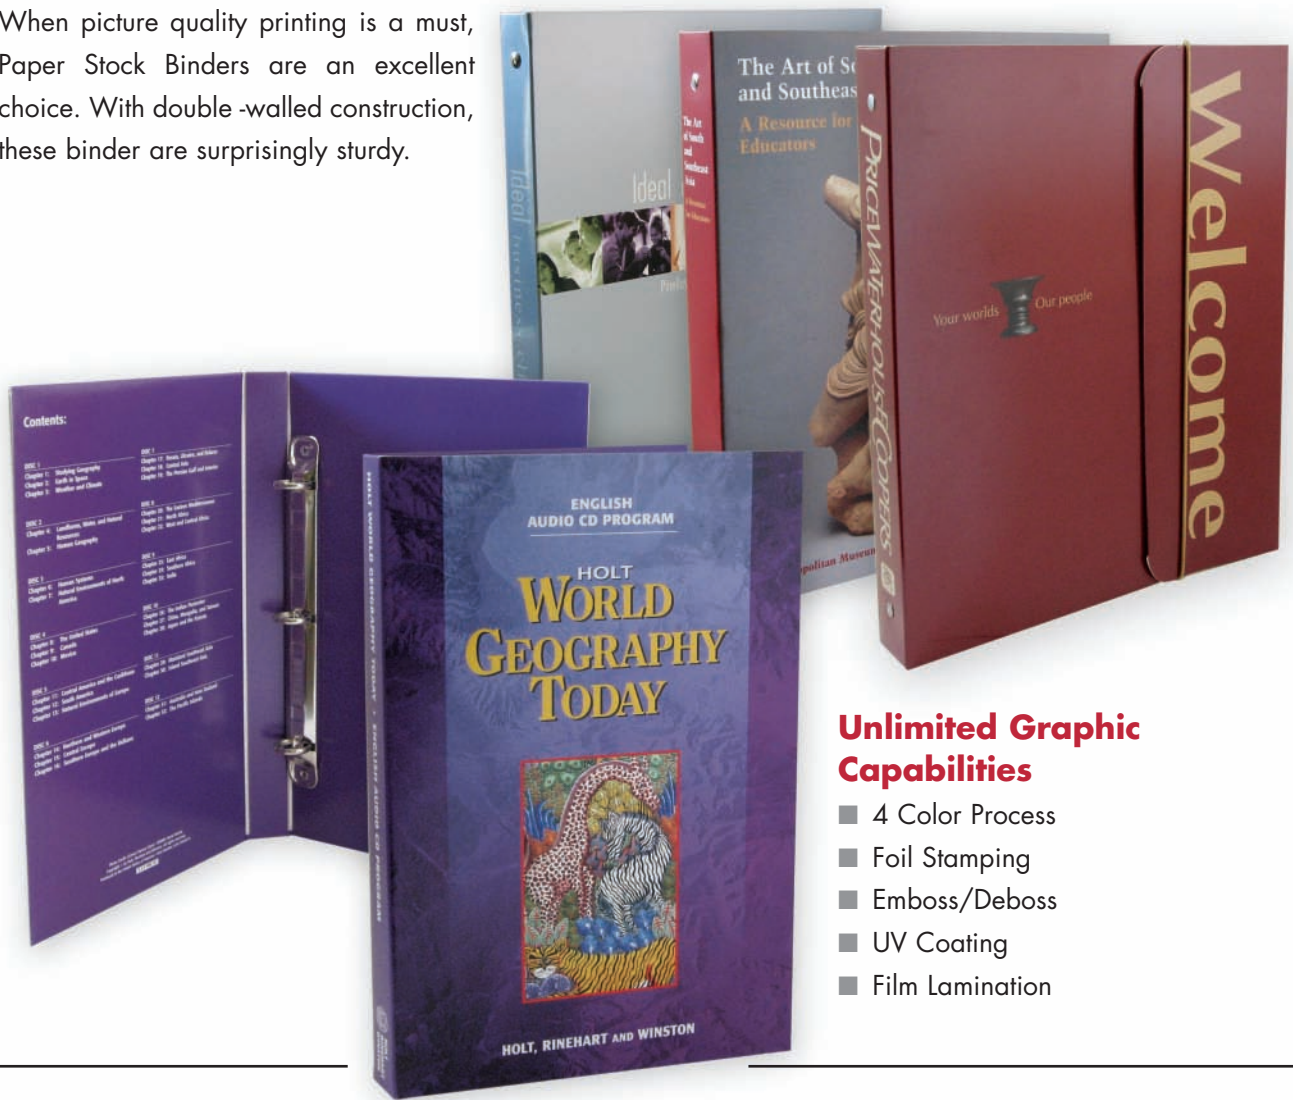

RING BINDERS
